

PROJECT MANAGEMENT CAPABILITY SPECIALISTS

LogiKal Training is an accredited RTO and

ABOUT US

training provider specialising in Project Management capability enhancement, delivered by qualified and experienced Project Management professionals.

CAPABILITY ENHANCEMENT

We specialise in learning and development solutions that leave a lasting legacy

[The best aspect of the course was] ...the introduction into projects and flow of the programme. Bringing in relevance of everyday projects to the room. Experience shared.

- **Senior Project Manager**

...formalising a structured approach to the day to day business on running a project or BU. The shared templates and best practices were and will be very helpful.

- **Company Manager**
